Independent Auditor's Review Report on Standalone Unaudited Quarterly Financial Results and Year to Date Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)

To the Board of Directors of Delta Corp Limited

- We have reviewed the accompanying statement of standalone unaudited financial results ('the Statement') of **Delta Corp Limited** ('the Company') for the quarter ended 30 September 2020 and the year to date results for the period 1 April 2020 to 30 September 2020, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including relevant circulars issued by the SEBI from time to time.
- 2. The Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, Interim Financial Reporting ('Ind AS 34'), prescribed under Section 133 of the Companies Act, 2013 ('the Act'), and other accounting principles generally accepted in India and is in compliance with the presentation and disclosure requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including relevant circulars issued by the SEBI from time to time. Our responsibility is to express a conclusion on the Statement based on our review.
- 3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity, issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing specified under section 143(10) of the Act, and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
- 4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in Ind AS 34, prescribed under Section 133 of the Act, and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including the manner in which it is to be disclosed, or that it contains any material misstatement.

Notes to the standalone financial results :

- 1 The above results for the quarter and six months ended 30th September, 2020 which have been subjected to review by Statutory Auditors of the Company were reviewed and recommended by the Audit Committee and subsequently approved by the Board of Directors at its meeting held on 9th November, 2020, in terms of Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended).
- 2 Pursuant to Buy-back of equity shares, 41,17,249 equity shares of ₹ 1/- each were bought back till 7th October, 2020 i.e the date of closure of Buy-back as noted and taken on record by the Buy-back Committee at its meeting held on 7th October, 2020.
- 3 During the previous financial year, the Company had made a provision of ₹ 55.95 Crores towards doubtful recovery of a loan given to its wholly owned subsidiary (WOS), Deltin Cruises and Entertainment Pvt Ltd (DCEPL). During the previous quarter, the investment in DCEPL, along with the loan amount, have been transferred to another WOS of the Company. Now for the standalone company, the loan amount is good and recoverable and accordingly, the provision of ₹ 55.95 Crores made towards doubtful recovery of the loan is reversed and shown under exceptional item for the six months ended 30th September, 2020.
- 4 Due to COVID-19 pandemic and the consequent lock down announced by the Government of India, the operations of the Company were suspended since the third week of March 2020. The Government has since announced phased lifting of lock down (From "Unlock 1" on 1st June, 2020 to "Unlock 5" on 1st October, 2020). State Government of Goa permitted resumption of tourist activities from 2nd July, 2020 onwards and Casino operation permitted at 50% capacity from 1st November, 2020 onwards. The Casino operations at Goa and Sikkim have resumed operations since the first week of November 2020. The Hotel operations at Daman have gradually resumed since the "Unlock 1". The general expectations are that normalcy could be gradually restored by the end of financial year 2020-2021.

The management has also assessed the potential impact of COVID-19 on the recoverable values of its financial and non-financial assets and impact on revenues and costs. The Company considered internal and external sources of information and performed sensitivity analysis on the assumptions used and based on current estimates, expects to recover the carrying amount of these assets. The impact of COVID-19 may be different from that estimated as at the date of approval of these standalone interim financial results.

The management has also evaluated the possible impact of this pandemic on the business operations and the financial position of the company and based on its initial assessment of the current indicators of the future economic conditions, believes that the financial results for the quarter and period ended 30th September, 2020 may not have any material adverse impact on the net worth of the company as at 30th September, 2020. Further, the company is debt free and would have adequate liquidity available to honour its liabilities and obligations, as and when due. The management will continue to monitor any material changes to its COVID-19 impact assessment, resulting from the future economic conditions and future uncertainty, if any.

5 Due to the COVID–19 pandemic and in line with the directives issued by the Government of Goa, all the Casinos and Hospitality businesses have not been operating during the quarter. The Company is required to pay an annual recurring license fee upfront for operating its casinos. The Company has therefore provided a proportionate charge of license fees of ₹ 10.08 Crores and ₹ 20.05 Crores for the quarter and six months ended 30th September, 2020 respectively , as required statutorily. However, the Company and the entire casino industry in Goa have made a representation to the Government of Goa, seeking a waiver / reduction / proportionate payment mechanism for the period of shut down. Due to the pandemic situation, the stress on the operations and the representations made, the management is hopeful that the Government of Goa may consider its request, favourably. In such a situation, the provision of license fees made in the books may not be payable in full or in part, as it depends upon the directives to be issued by the Government of Goa. The said License Fees is only provided for and the actual payment for the same has not taken place.

6 Tax Expenses includes Income Tax and Deferred Tax.

Independent Auditor's Review Report on Consolidated Unaudited Quarterly Financial Results and Year to Date Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)

To the Board of Directors of Delta Corp Limited

- 1. We have reviewed the accompanying statement of unaudited consolidated financial results ('the Statement') of **Delta Corp Limited** ('the Holding Company') and its subsidiaries (the Holding Company and its subsidiaries together referred to as 'the Group') and its associate (refer Annexure 1 for the list of subsidiaries and associate included in the Statement) for the quarter ended 30 September 2020 and the consolidated year to date results for the period 1 April 2020 to 30 September 2020, being submitted by the Holding Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including relevant circulars issued by the SEBI from time to time.
- 2. This Statement, which is the responsibility of the Holding Company's management and approved by the Holding Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, Interim Financial Reporting ('Ind AS 34'), prescribed under section 133 of the Companies Act, 2013 ('the Act'), and other accounting principles generally accepted in India and is in compliance with the presentation and disclosure requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including relevant circulars issued by the SEBI from time to time. Our responsibility is to express a conclusion on the Statement based on our review.
- 3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity, issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing specified under section 143(10) of the Act, and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the SEBI Circular CIR/CFD/CMD1/44/2019 dated 29 March 2019 issued by the SEBI under Regulation 33 (8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), to the extent applicable.

4. Based on our review conducted and procedures performed as stated in paragraph 3 above and upon consideration of the review reports of other auditors referred to in paragraph 6 below, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in Ind AS 34, prescribed under Section 133 of the Act, and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including the manner in which it is to be disclosed, or that it contains any material misstatement.

The Group has also assessed the potential impact of COVID-19 on the recoverable values of its financial and non-financial assets and impact on revenues and costs. The Company considered internal and external sources of information and performed sensitivity analysis on the assumptions used and based on current estimates, expects to recover the carrying amount of these assets. The impact of COVID-19 may be different from that estimated as at the date of approval of these consolidated interim financial results.

The Group has also evaluated the possible impact of this pandemic on the business operations and the financial position of the Group and based on its initial assessment of the current indicators of the future economic conditions, believes that the financial results for the quarter and period ended 30th September, 2020 may not have any material adverse impact on the net worth of the Group as at 30th September, 2020. Further, the Group is debt free and would have adequate liquidity available to honour its liabilities and obligations, as and when due. The management will continue to monitor any material changes to its COVID-19 impact assessment, resulting from the future economic conditions and future uncertainty, if any.

- 8 Due to the COVID–19 pandemic and in line with the directives issued by the Government of Goa, all the Casinos and Hospitality businesses have not been operating during the quarter. The Group is required to pay an annual recurring license fee upfront for operating its casinos. The Group has therefore provided a proportionate charge of license fees of ₹ 23.95 Crores and ₹ 47.63 Crores for the quarter and six months ended 30th September,2020 respectively, as required statutorily. However, the Group and the entire casino industry in Goa have made a representation to the Government of Goa, seeking a waiver / reduction / proportionate payment mechanism for the period of shut down. Due to the pandemic situation, the stress on the operations and the representations made, the Group is hopeful that the Government of Goa may consider its request favorably. In such a situation, the provision of the license fees made in the books may not be payable in full or in part, as it depends upon the directives to be issued by the Government of Goa. The said License Fees is only provided for and the actual payment for the same has not taken place.
