SECTION E: PRINCIPLE-WISE PERFORMANCE

Principle 1: Ethics, Transparency and Accountability

The Company's commitment to ethical and lawful business conduct is a fundamental shared value of the Board of Directors, the senior management and all employees of the Company. The Corporate Governance philosophy of the Company is anchored on the values of integrity, transparency, building efficient and sustainable environment, system and practices to ensure accountability, transparency, fairness in all the transactions in the widest sense to meet stakeholders and societal expectations. The Code of Conduct and other policies adopted by the Company apply to the employees of the Company. In addition, the Company has a Whistle Blower Policy through which the Company seeks to provide a mechanism to the employees and directors to disclose any unethical and/or improper practice(s) suspected to be taking place in the Company for appropriate action and reporting. Further, no employee is denied access to the Audit Committee and all disclosures are reported to the Chairman of the Audit Committee. The Code of Conduct and Whistle Blower Policy are uploaded on the Company's website- <http://www.deltacorp.in/policies.html>

1. Does the Policy relating to ethics, bribery and corruption cover only the Company? Does it extend to the Group / Joint Ventures / Suppliers/ Contractors / Others?

- Company's Code of Business Conduct and Ethics are laid out for Board members and Senior Management personnel. Board members and Senior Management personnel affirm compliance to the code on annual basis, including during last Financial Year. This highlights Delta Corp's commitment to ethical and transparent corporate governance practices. The philosophy of the company in relation to Corporate Governance is to ensure transparent disclosures and reporting that conforms fully to laws, regulations and guidelines, and to promote ethical conduct throughout the organisation with the primary objective of enhancing shareholders' value while being a responsible corporate citizen. However, beyond this as well, Company has checks and balances in place for ensuring ethical business conduct across its operations, including safeguards in place which discourages bidders to engage in any corrupt practices during tendering process.

2. How many stakeholders' complaints have been received in the past Financial Year and what percentage was satisfactorily resolved by the management? If so, provide details thereof.

- Delta Corp has taken significant steps to ensure that its members understand and practice our Code of Conduct. The Company has a very thorough internal and external mechanism of investigation for all complaints as it has a significant bearing on the individual and the organization.
- In the Financial Year 2016-2017, no complaint was received by the company. However, 2 cases are still pending in Industrial Tribunal and Labour Court. The Company continues to investigate the pending cases through internal as well as independent external investigation agencies.

Principle 2: Sustainability of Products & Services across Life –Cycle

1. List up to 3 of your products or services whose design has incorporated social or environmental concerns, risks and / or opportunities

- The Company's offerings to customers are related to providing entertainment and hospitality services to people. The delivery of services attracts very less use of energy or water and we are assessing opportunities of improvement in this stage.
- The company has also created design interventions for optimized usage of resources like energy and water at gaming and hospitality properties.

2. FOR EACH SUCH PRODUCT provide the following details in respect of resource use (energy, water, raw material etc) per unit of product (Optional).

- The company places strong emphasis on reducing impact on environment by focusing on resource efficiency (Water, Energy and Waste Management) in delivering of services to customers. However quantification of resources usage per unit of product/ service is difficult for our industry.
